

Parking Signup Process:

1. Visit bnmc.org/transportation and select Apply for Parking 589 Ellicott Street
2. Select "Get Permits"

The screenshot shows a web interface with two main sections: CITATIONS and PERMITS. The CITATIONS section includes a text input field for 'Citation Number', a '-OR-' separator, a 'State' dropdown menu currently set to 'NEW YORK', and a 'Plate Number' text input field. Below these is a 'Search Citations' button. The PERMITS section features two buttons: 'Get Permits' with a list icon and 'Parking Requests' with a checkmark icon.

3. Select "Create an Account"

The screenshot displays a 'Customer Authentication' screen. At the top, the title 'Customer Authentication' is centered in a large font. Below the title, there are three lines of text: 'Please enter your login information below and click submit.', 'If you do not have a login ID, you may create an account.', and 'If you have previously created an account you may retrieve your lost information.'

4. Fill out information required
